

Corby Business Academy

Friends of CBA Minutes

Date: 24th November 2014 6pm

Attending: Mrs Hurcombe, Mrs B Smith, Ms Michelle King and Mr Clive Chenery.

1) Celebration evening	All went well. Many thanks to Clive for giving out the 'Friends of CBA' prize on the night as well.
2) Disco	This was a popular event and raised nearly £100. We need to look at the use of the bus as this caused some issues at the end of the night with students being unfamiliar with the late bus system.
3) Healthy eating	The Academy chef has put together a plan. This information will be launched in January. We will also launch the 'healthy lunch' boxes at this time. Friends of CBA will donate a prize.
4) Healthy Eating	Discussed possibility of healthy eating award. Initial focus to be on compiling information from Friends of CBA to go onto the website advising other parents about ideas for healthy packed lunch choices. Bernie suggested we should also run a competition with a prize for a healthy eating best sandwich choice. The recipe could go on the website. The prize would come from the exiting CBA Friends fund. All agreed this was a very good idea.
5) Key fundraising	The main money which is fundraised this year will go towards setting up a computer programming club for students. This will cost approximately £200. We will also make donations to calculator funds and the Shakespeare Festival. The group will also donate a prize on celebration evening and will support the healthy eating prize.
6) Raffle	To be set up for Carol Concert. Clive to approach the governing body.

Date of next meeting: Monday 9th February 2015
