## Minutes- Friends of CBA 18<sup>th</sup> May 2015

## Staff: RUHU/PAWI/BESM

1)	Welcome and intros	
2)	Feedback on reports:	PAWI
-/	Parents giving feedback were Kerry (2 children in year 7. One in year 9) and Claire	.,
	(son year 10, daughter year 9).	
	Mr Wilson (PAWI): explained the idea of life without Levels and GCSES also	
	moving from grades. There were a range of reports given out (names removed).	
	Kerry: I want to know where they are now and if they are on track.	
	Claire: I agree.	
	PAWI: do we think something like a '2' will have meaning?	
	Claire: we need an equivalent chart or something of that type (all agreed this	
	seemed a good idea).	
	PAWI: actually we shouldn't really be using levels at KS3. When they come in year	
	7 do we start them 0-9? Do you want to know they are on track? As a parent do	
	you want grades all the time? What about a colour coding system? (Paul shared a	
	diagram of a flight path). Explained the idea of a flight path over 5 years.	
	Parents: we would want to know what the issues are and how to move forward.	
	PAWI: showed how flight paths could be adapted to take into account dip	
	periods. Currently the levels are based on Maths and English grades only from	
	primary.	
	RUHU: do the comment boxes seem personalised enough?	
	Parents: no	
	PAWI: what if a teacher could suggest three things they could work on and then	
	there was information for parents to help them support progress in set areas?	
	(Bernie- i.e.: the use of doddle).	
	All: really positive.	
	Parents: it would be good to have more information.	
	PAWI: do we need end of KS prediction and current grade?	
	There was discussion about when you want to know current levels. Parents: want	
	to know at least during KS4 what current grades are.	
	Both parents: we like the current and target. We like on track and areas for	
	development.	
	PAWI: one of the issues has been overuse of levels in the past.	
	Parents both kindly gave email addresses and agreed to give feedback on any	
	report templates.	
3	Healthy eating. Two students' healthy eating sandwich choices were selected.	RUHU to
-	These will be given to Mr Lapsley to be made up and tried.	take to CL
	The best will be uploaded for parents to use on the website.	
4	Possibility of a summer disco for year 7 if Friends of CBA would like to help run	Friends of
	with the charity subcommittee.	СВА
5	Cricket match- we were keen on the idea of running this to follow the staff	RUHU/
	summer BBQ to make more of an event. Could the BBQ be at the front? Perhaps	Jordan
	see if a burger van could come down later to cater for RS staff? Do a charity	Joseph.
