<p>Summer cricket tournament was the main focus of the meeting due to the time needed to organise the tournament.</p> <p>ANCL fed back the conversation with JOHE regarding CBA hosting the tournament but not running the event. The tournament will now be a joint venture with Weldon Cricket Club celebrating their 150<sup>th</sup> Years and who will run the event. We discussed how we could support the tournament and BESM suggested Tea, Coffee and refreshments and is happy to run this with the support of any PIP member. CB is not available on the day however, she is willing to support the previous day if needed.</p> <p>We have arranged a meeting at 6.00 on the 29<sup>th</sup> April 2013 to discuss the arrangements for the event with Weldon, Howard, JOJO and Weldon CC. All PIP members are welcome to attend.</p> <p>We will also make contact with the Local Media to promote the event.</p>	<p>ANCL, JOJO, BESM,CC, CB, Howard, Weldon CC and PIP</p>
<p>We want to relaunch PIP under a new name for next year. We discussed a number of names and finally decided on Friends of CBA as the group does not have to be targeted towards parents but the local community.</p> <p>We want to target the new intake so we would like to be</p>	<p>JOHE, BESM and ANCL</p>
