WELL DONE TO OUR AWARD-WINNING YOUNG ENTERPRISE COMPANY

CBA's Young Enterprise company Kraftees won two awards at their first two trade fairs.

Members of the company manned stalls at Young Enterprise fairs in the Swansgate Shopping Centre in Wellingborough on December 1, and in the Grosvenor Centre, Northampton, on December 2.

Members of Kraftees sold their products – Christmas cards and USB sticks on wristbands – to the public alongside Young Enterprise teams from other county schools.

The teams were judged at each event and awards were given out. In Wellingborough Kraftees was given the award for Best Sales and Marketing Strategy and at the fair in Northampton the team was awarded Best Trade Stand.

Young Enterprise link teacher Alexandra Allan said: "The judges were extremely impressed and the feedback was amazing."

Shaun Coleman from RS Components, which has

been supporting Kraftees, said: "At the trade fair in Wellingborough they were professional, they were all good ambassadors for Corby Business Academy and they interacted with the other students, which was good.

"They did well for their first fair and won their awards for Best Trade Stand and Best Sales and Marketing Strategy, the latter of which is a key one in business."

Jake Soloman, who is a member of Kraftees, said: "We decorated our trade stand with Christmas paper and tinsel to make it look festive. I'm planning on running my own business in the future and doing Young Enterprise is giving me the experience of how businesses run and how we can present ourselves."

Kraftees member Mo Maudarbux said: "Young Enterprise is fun, I like the business environment."

FROM THE EDITOR

This has been another busy term at Corby Business Academy with, as ever, plenty of student achievements for us to be proud of.

Well done to our Young Enterprise team, who really made a mark on the county competition by winning two awards at their first trade fairs in December, and to our Senate members, who have been busy getting involved in local democracy with their bus shelter campaign. We've also had a lot of visitors this term. For his first visit in his constituency since being elected as the new MP for Corby, Andy Sawford came to see us at CBA.

We were also pleased to welcome two England cricketers into school. Over the last half term holiday a group from CBA went on an eye-opening and successful trip to Uganda, which you can read all about on Page 7.

Christmas is a time of year for thinking of others, and during this term we have had two fantastic charity appeals in school. Our mufti day and cake sale for Children in Need was hugely successful and raised a lot of money, and students also showed their generous spirit with their efforts for our Operation Christmas Child appeal.

Merry Christmas and a Happy New Year to you all.

Kirsty Farrar

Senior Assistant Principal

LETTER FROM THE PRINCIPAL

44 As I am sure you know, our students are very good at fundraising and have recently raised more than £1,200 for Children In Need. 11

Dear Parent/Carer,

This term has once again been a busy one for all of us here at the Business Academy. Our student Senate are getting their teeth into a new project and are currently lobbying the local council to improve transport facilities in the area. They are starting this off by attempting to secure a new bus shelter for Sixth Form students that catch the public bus into town. The way that they work together never fails to amaze me and I am very proud to say that they certainly know how to formulate an argument to get what they want. A group of our Sixth Form students have also been involved in the Young Enterprise scheme and have recently won two awards for the work they have undertaken. Their company will continue to develop over the coming months and these students will be representing the Academy at future sales events.

We are very proud of our facilities here at CBA, however as the winter increases its grip on the weather our site becomes increasingly cold and windswept. To provide some future shelter for our site a number of our students have been involved in planting trees around the perimeter of the school that in years to come will provide protection and maturity to the area.

As I am sure you know, our students are very good at fundraising and have recently raised more than £1,200 for Children In Need. They have also collected and filled shoeboxes with Christmas gifts to send to children less fortunate than themselves. The enthusiasm that students show when fundraising is a testament to their sense of community and moral purpose; characteristics we actively develop here at the Academy.

Our music department goes from strength to

strength, with the quality of the performances becoming increasingly professional. A highlight of this term was the performance from the Virtuosi GUS Band, where our students were given the opportunity to play alongside these outstanding musicians. Everyone involved with the evening performance commented on what a great opportunity this was and how much the students gained from the experience. We look forward to welcoming the Virtuosi GUS Band back in the future.

Finally I would like to thank everyone for their on-going support throughout this year. It is by working in close partnership together that we will continue to develop the Academy at a rapid pace. I wish you all a happy new year and hope that you all enjoy a well-deserved rest over the Christmas period.

John Henrys, Principal

KEEP UP TO DATE WITH OUR HEAD BOY AND GIRL

CBA's Head Boy David Graham and Head Girl Ellie Mae Moore have started giving regular updates about what they've been doing and what is happening in school on their new blog.

Topics they have blogged about so far include their campaign for a bus

shelter at the school bus stop and the Operation Christmas Child appeal in school. Ellie Mae said: "As Head Boy and Head Girl, David and I are involved in projects and activities all over the school so a blog is the perfect way to keep everyone up to date with what we've been doing."

Head Boy and Head Girl – David Graham and Ellie Mae Moore

David and Ellie Mae will post all their latest updates at: http://cbaheadboyandgirl.blogspot.co.uk/

Corby Business Academy

Key Dates

Please be aware there may be slight adjustments as the terms progress. Please check for updates on our website, **www.corbybusinessacademy.org**

Tue Jan 29th	Year 10 Parents Consultation Evening 3.45pm – 5pm			
Wed Jan 30th	Year 10 Parents Consultation Evening 3.30pm – 7pm			
Mon Feb 4th	Parents in Partnership Meeting – 6pm			
Fri Feb 8th	End of Term 3			
Fri Feb 8th	Ski Trip			
Mon Feb 18th	Start of Term 4			

SKILLS FOR THE FUTURE

An information evening will take place to help parents of students in Years 10 to 13 understand what options are available to them, such as apprenticeships, higher education and employment.

It will take place at the Holiday Inn, Geddington Road, Corby, on Wednesday 30th January.

Doors open at 6.30pm and the event will run from 7pm to 9pm.

To book seats visit http://connexionsnorthamptonshire.eventbrite.co.uk/

PARENT CONSULTATION EVENINGS

CBA has received good feedback about the new system for Parent

Under the new system parents' evenings now take place over two evenings - a Tuesday and a Wednesday - for each year group. nts can go online in advance and book appointments to see their

Parent Claire Burton said: "Absolutely fantastic. Appointments were booked in a matter of minutes. Easy to use and easy to amend with instant notification to provide that extra reassurance. Thank you for such

a painless system."
To book an appointment for parents' evenings parents should visit: http://corbybusinessacademy.parentseveningsystem.co.uk A guide on how to use the online system is available to view on our website at www.corbybusinessacademy.org

PHOTO CONSENT

CBA will assume that parental/carer consent is given regarding publishing of their child's photograph unless they provide CBA with written instructions to the contrary which we can then acknowledge

and use to update our systems. If you wish to provide written instructions please email rhenderson@corbybusinessacademy.org

RAISING OF THE PARTICIPATION AGE

Under the present law, the school leaving age is 16. After 2013 the education leaving age will rise to 17 and from 2015 it will rise again to 18.

The raising of the participation age (RPA) means:

- From September 2013 Year 11 students must continue in education or training to age 17
- From September 2015 students must continue in education or training to age 18

Implications for students in this year's Year 11 (academic year 2012-13)

Students must stay in education or training until the end of the academic year they are 17.

Does this mean that students need to stay on at school?

• No. There are different interpretations of what counts as "staying in learning", including work based learning such as an apprenticeships or starting a business

Implications for parents

- Young people cannot leave school with no learning pathway identified
- Child benefit will continue while the young person is in learning
- Some vocational training may start later at age 17 and continue longer
- The Academy will continue to monitor the young person's destination after they have left
- Benefits will stop the first Monday in September if a child is not in some form of education or training
- TimelyAdvice Ltd is working across the partnership providing independent advice and guidance to all leavers
- If you have any specific questions email info@timelyadvice.org.uk or call the child benefit helpline on 0845 3021444

Avril Bartley-Smith, TimelyAdvice

ENGLAND CRICKETERS TAKE PART IN TOURNAMENTS DURING CBA VISIT

Two England cricketers took part in cricket tournaments with Year 8 and Year 9 students during a visit to CBA. Jenny Gunn and Danielle Hazell from the England Cricket Board spent a day with the active department in November.

They took part in a tournament played by Year 8 girls and then in a mixed tournament of Year 9 students. Jenny said: "Some of the girls were very good and were getting competitive. It was good to have so many people playing cricket at once."

A Session 4 girls' cricket club will be set up from January.

STUDENTS TURN DETECTIVES AT CLASSROOM CRIME SCENE

Students investigated the scene of a crime as part of a module on forensic science.

To help with their revision PCSO Alex

Franklin turned their classroom into a crime

Franklin turned their classroom into a crime scene, complete with a number of possible murder weapons and fingerprints.

PCSO Franklin said: "I went over fingerprinting with the pupils, got them to take fingerprints and described how we would deal with a crime scene.

"After that we got one of the pupils to dress up in the overalls, gloves and face mask that scenes of crime officers would wear and got them to enter the crime scene, identify what could have been used for a murder weapon and what would be good for evidence, then bag them in the proper evidence bags."

PCSO Franklin then showed the students how to take fingerprints from a glass beaker found at the scene using the aluminium powder that scenes of crime officers would use at a real crime scene.

He said: "All this was done as an interesting and fun way to help the pupils to revise for a test on the subject."

RUNNING CLUB SET TO CONTINUE

The Session 4 running club which has been taking place on Mondays is set to continue into the new year.

The club was recently started to give students the chance to prepare for cross country fixtures and to give students and staff the chance to increase basic fitness levels.

Teacher Natasha Dunstone said: "We have had many different students coming along to the club so far, therefore we will continue to run it into the new year."

STUDENTS TAKE ON TOUGH CROSS COUNTRY COURSE

More than 30 CBA students of all ages took part in a tough cross country fixture.

A total of 34 students, from Year 7s to Year 12s, took part in the gruelling fixture at a wet and muddy West Glebe Park in Corby in November. Despite the harsh conditions, CBA celebrated a number of successes. CBA placed first in the Under 17 Boys Team competition with 68 points and second in the Under 15 Boys Team competitions with

CBA students also triumphed in the girls' categories, taking first place in the Under 17 Girls Team competition with 29 points and second in the Under 15 Girls Team competition with 165 points.

Teacher Natasha Dunstone said:

87 points.

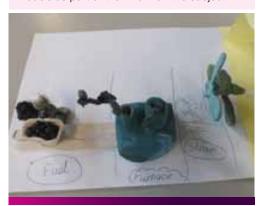

"Congratulations to all the students who took part. We also have a number of students through to the county trials later on in the school year."

Students who have been learning about what makes up a power station made models of them as part of their science work.

STATIONS

Year 10 students made the models to aid their GCSE revision and Year 9 students also made models as part of their work on the subject.

BUSINESS, **HUMANITIES & ENTERPRISE (BHE)**

STUDENTS CAMPAIGN **ON ISSUES**

Year 10 students devised campaigns on issues of their choice for a citizenship project. One group - Beth Fennell, Heather Phillips, Amy Moore, Daniel Bottrill and Becky Scott presented their campaign on the right to die to hundreds of other CBA students

The group devised a petition on the issue and contacted local MP Andy Sawford to tell him about their campaign.

Heather said: "We feel that this is a very serious issue as anyone could be fine today and end up in a life-changing situation tomorrow."

Beth said: "The campaign has gone really well. Everyone has been really supportive and everyone who saw the assembly congratulated us.

"The aim of our assembly was to start a debate on the subject and we felt that both sides of the story needed to be put across." Another group – Bianca Ursu, Georgina

Reay, Roisin Curran and Kyla Bite - focused on domestic violence against men for their campaign and also presented their work during assemblies.

Bianca said: "We strongly believe that men should receive an equal amount of support to women and that everyone should be more aware of this issue.

Georgina said: "We would like to help support men that are still in abusive relationships or have suffered from domestic violence.

"We hope to get as many responses as possible to drive this campaign further than the school's gates and make ourselves heard."

William Bell, Nicole Vuckovic, Taila Miller and Chloe Smith chose to campaign about drugs, underage pregnancy, smoking and drinking. William said: "Drugs can damage the nervous system, they're dangerous."

All work contributes to the students' GCSE Citizenship coursework.

COMMUNICATIONS (COMMS)

GETTING BEHIND THE FRONT PAGES

Year 7 students have been taking a closer look at newspapers as part of a term of work on non-fiction media.

Students have been busy reading lots of different newspapers and learning about the various conventions of a newspaper.

Teacher Rory Marks said: "They have been analysing the conventions of newspapers - the front page, the layout, the different

types of news and sections. They have been looking at news values and newsworthiness.

"The students have each selected their own news story and are going to re-write it. What we are hoping to do is to for the students to produce their own front page of a newspaper with their own design and name to show their understanding of the conventions."

THEATRE TRIP FOR STUDENTS

Students spent an evening at the theatre watching a performance of Willy Russell's Blood Brothers.

The students watched the show at the Hippodrome in Birmingham in October.

Teacher Lou Cory said: "They really enjoyed the show, and look forward to future theatre trips".

ARTS MUSIC & INDUSTRIAL DESIGN (AMID)

NEW COURSE FOR BUDDING PHOTOGRAPHERS

Snap happy Year 9 students have been learning how to become the next David Bailey or Rankin on a new course.

The new lens based media course has begun this year.

So far students have looked at photomontage and Cubism, including the work of Pablo Picasso.

The students have also been looking at the work of Andy Warhol, David Hockney, Cindy Sherman, Chuck Close and Chris Ofili.

They have been learning how to use a camera and how to manipulate and change their photographs using Adobe Photoshop.

For one task students took a self portrait in the style of David Hockney and went on to manipulate the image on computer.

Head of art, Zoe Moore, said: "The students have started the course really well."

Year 9 student Josh Perry said: "I picked the course because I do a bit of sketching and I like using computers."

Year 9 student Josh Davis said: "I wanted to learn more about cameras. We have been taking lots of pictures so far."

TEXTILES STUDENTS CREATE THEIR OWN SHORTS & T-SHIRTS

Year 8 students printed their own t-shirts and made pairs of shorts during their textiles lessons.

The students created prints for their t-shirts and then followed a pattern to create shorts to go with them.

Teacher Samantha Fynan said: "There was lots of computer-aided design and the

students worked to a very high level, I am very pleased with their hard work and final pieces."

Year 8 student Hannah Eden said: "I am very pleased with my work, I put in a lot of effort and I tried hard with the colour scheme. The project was amazing."

VOCALISTS FINISH OFF RECITALS SERIES

Students finished off a series of recitals by showing off their vocal skills.

Student vocalists from all years took part in a vocal recital in the theatre in November.

Performers included Year 11 student Anya Rosario, who performed '*Greatest Love Of All*' by Whitney Houston, and Year 10 student Beth McQuillan, who performed '*I Dreamed A Dream*' from Les Miserables.

Katie English sang 'Beautiful' by Christina Aguilera, Eloise Robertson performed 'You've Got The Love', Siona Layton-Matthews sang 'Torn' by Natalie Imbruglia and Jordan Riddell sang 'Heaven'.

Josie Murrie performed 'Be Mine' and Andile Chiwuta sang 'The Vagabond' by Vaughan Williams.

SIXTH FORM

UGANDA TRIP

During the half term holiday our Head of Sixth Form Kim Isaksen, Head Girl Ellie Mae Moore and Year 13 student Klaudia Chalubinska travelled to Uganda to represent CBA at an international youth conference.

Here they share some of their experiences and photographs from the trip.

PRIMARY SCHOOLS

We were fortunate to visit a few primary schools while in Uganda. Nothing could have prepared us for these bittersweet visits. The buildings were ramshackle tin huts with glassless windows. The classroom walls were mostly bare. Worn wooden desks, an old blackboard and large quantities of smiling students greeted us. We had never seen children with so little work so hard or take such pride in their books. They were incredibly proud of their uniforms and astounded us with their singing and dancing as they ran barefoot around the school grounds.

Mrs Isaksen

CHIMPANZEE SANCTUARY

crossed the equator and reached the small but beautiful island. The island is home to orphaned chimpanzees which are often trafficked for the pet trade or their meat in Africa. Staff work relentlessly to ensure the chimps live in a habitat as close to their natural environment as possible. We saw chimpanzees up close during feeding time and they really are the most intelligent creatures. Despite having to dodge the rocks one mischievous chimp kept throwing I thoroughly enjoyed learning about their history and the great work the sanctuary does throughout Uganda to educate people about chimpanzees. Mrs Isaksen

MEETING THE LOCALS

On the second day we walked to the local village and met the locals. Everyone was really friendly, talkative and pleased to see us. We all took plenty of pictures and

the children were fascinated by our cameras. The scenes were shocking, so many people live together in one hut among their livestock. The locals can go without food for a few days. The children ran about playfully, barefoot in the mud with torn clothing. They don't have toys to play with or a football to kick about. They chewed on sugar cane but the most obvious thing was how happy everyone was.

CONFERENCE

We went to Uganda to attend the Jinja International Youth Conference. We grouped together with the Ugandan students and then split up into groups to discuss different subjects. We discussed issues like global citizenship, international trade and social justice. All of us got involved in the debate and gave our opinions. We got the chance to find out about the lives of the Ugandan students and compare it to UK life.

WOMEN'S CO-OPERATIVE

On the final day we visited a women's co-operative, which was on a small island next to the chimpanzee sanctuary. On this island there were a couple of ladies that made bracelets and necklaces out of magazine paper. We all got a chance to make our own, which was a good experience.

Fllie

Klaudia

LIBRARY

BOUNCING INTO LEARNING

A group of Year 7 students sprang into CBA life this term when they took part in a Session 4 Kangoo course at Adrenaline Alley.

The course involved learning to walk and run in Kangoo boots, which are strange contraptions involving a normal-looking boot with a massive, springy half circle on the bottom.

Once the challenge of standing up

12 WORDS OF CHRISTMAS

Students and staff donned their literary caps this term as they competed in the library's 12 Words of Christmas competition. The challenge was to write a Christmas/winter story in 12 words. The winners will be announced next term.

More than 200 stories were written, including:

"Rudolph sneezed – sleigh fell – went across snow – ran over grandma – Weird Christmas." by Jordan Riddell, Year 9.

"Snow was falling – Her tears too – He couldn't come home for Christmas." by Roisin Curran, Year 9.

"Santa disappears...Police comb the area...Jack Frost arrested... Christmas is saved." by Donna Varley, staff.

A VISIT FROM SANTA

Just before the Christmas holidays Father Christmas paid a much anticipated visit to the library to deliver Christmas presents to Year 7 students.

Every year we look forward to gifting a book to Year 7 students for them to read over the holidays and keep forever.

Activities will be offered in the library to compliment the books next term, such as a swap box and reading logs.

ACCELERATED READER

Key Stage 3 students continue to battle it out in our inter-form Accelerated Reader competition. Mr May's Year 7 form were the victors in November, largely due to Niamh Scott passing an incredible 22 quizzes!

AMY STEPS BACK INTO PRESTIGIOUS JUDGING ROLE

CBA's librarian Amy McKay is busy reading through more than 130 books as she prepares to help choose the nation's best children's book again.

Amy won the prestigious role of being a judge in the 2012 Carnegie and Greenaway Children's Book Awards and she is now stepping back into her judging role for the second and final time to help decide on the winners for the 2013 awards.

Amy is busy working her way through the long list of contenders for the two medals and will read and take notes on 68 novels and the illustration work in 64 titles by January 21.

She will then discuss her views on which were the best reads with the other judges, who will whittle down the titles into two shortlists. The judges will then read the shortlisted books again before meeting to decide on the two winners.

Amy is challenging CBA students to read the novels on the long list along with her and several students have taken her up on the offer. She said: "I've read some good books so far, a lot of them are books I wouldn't have picked up by choice and now I can recommend them to students.

"Quite a lot of students are reading them too, which is nice."

ADVENT COMPETITION

The library was abuzz in December as students battled it out to win prizes in our Advent competition.

A huge Grinch advent calendar was put on display and every morning a new question was revealed. Students were challenged with answering the bookbased question every day and keeping track of their answers.

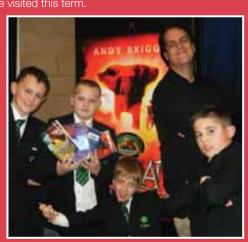

A small prize was awarded to a student with the correct answer daily and a host

of larger prizes will be awarded to students who have got all answers correct at the end of term.

AUTHOR VISIT

A group of Year 7 boys travelled to Brooke Weston to meet author Andy Briggs when he visited this term.

Andy is the author of the HERO. COM series and the VILLAIN.NET anti-series and is also a screenwriter, working on numerous movies and TV shows in the US and around the world. He has recently released the Tarzan stories for 21st century young readers.

NICK'S BIG DAY OUT WITH THE MAYOR

Student Nick Galway got a taste of mayoral life when he spent the day with Corby mayor Mohammed Rahman. Nick's day out was his reward for winning the Mayor's Award for Community at the CBA Annual Achievement Awards 2012. During the day he went to the Corby Cube, where he had lunch with Cllr Rahman in his office. Nick spoke with Cllr Rahman and Cllr Mary Butcher about the role of the mayor, the ceremonial items the mayor wears and about the council in general. They then went for a meal before

attending the Lakelands Hospice Light up a Life event in the town centre. Nick's final engagement of the day was attending the Young People's Celebration Evening at the Best Western Hotel.

Nick said: "During the day we went to the CCTV room which showed footage from all the CCTV cameras around Corby, then I had lunch with the mayor. "Then I went out with the wardens who look for people dropping rubbish in Oakley Vale.

"I had a good day."

Some of the vegetables Andv brought in for the students to look at and take home

STUDENTS ON COURSE TO BECOME MASTERCHEFS

A group of students have been learning the basics of cooking to prepare them to take part in a Masterchef competition at CBA in the new year. The students have been taking

part in classes during Session 4 on Tuesdays.

For one of the recent sessions greengrocer Andy Slater of Pauleys in Sondes Road, Corby, visited to introduce the students to unusual vegetables.

CBA's restaurant manager Chris Lapsley, who is running the classes and Masterchef contest, said: "We had a vegetables and potatoes week and my greengrocer Andy brought in lots of produce, including purple cauliflowers and different coloured carrots.' The students have also learnt knife skills and how to make

soups and stocks during the

classes.

GEORGIA GETS WORDY FOR NATIONAL WRITING CHALLENGE

Year 11 student Georgia Bainbridge wrote more than 26,000 words of fiction in one month as part of a national writing challenge.

Georgia took part in the National Novel Writing Month, which challenged participants to write 50,000 words during November.

As one of many participants Georgia was able to get help and inspiration to help keep her writing via dedicated internet resources.

Georgia said: "I really enjoy writing and English, then I heard about this challenge over YouTube and I thought I would try it out. It was really hard, I spent most of my evenings and weekends writing.

"I've always wanted to write my own story so this was great."

Georgia wrote her story on a computer and so far it extends to 28 pages of A4.

STUDENTS PLANT HUNDREDS OF TREES ON SCHOOL GROUNDS

Students pitched in to help plant 420 trees on the school's grounds as part of a Woodland Trust project.

The trees were planted as part of the charity's More Trees, More Good campaign.

The trees will create a native hedge and a copse in the school grounds. Students planted six different types of trees – dogwood, cherry, hazel, hawthorn, birch and rowan.

JORDAN LEADS REMEMBRANCE PARADE

Year 11 student and army cadet Jordan England marched at the front of a Remembrance Day parade in Corby. Jordan, who is a Corporal in the Alexandra (Corby) Detachment of the army cadets, led the parade as it marched from Crucible Road to the Old Village church and the cenotaph on Sunday, November 11. Jordan spent the run-up to Remembrance Day getting involved with the Poppy Appeal and sold poppies at the poppy shop in Corby town centre. Local army cadets raised just under £2,000 in five days. Jordan said: "I was right at the front of the parade with the Royal British Legion banner."

CBA REMEMBERS

Students remembered those killed in conflict and our armed forces serving in Afghanistan in a series of assemblies held to mark Remembrance Day.

Vice Principal Tony Segalini delivered the assemblies and spoke about his own family connections to the armed forces. He also told students the story of Major Robert Cain VC.

To finish the assembly off the CBA senior concert band performed 'Evening Hymn and Sunset', a song which is used in the armed forces to commemorate those killed in action.

Year 12 students worked as a team during various activities on a trip to Wales over half term.

The residential to the Kingswood Centre was part of a leadership development programme in conjunction with the University of the First Age.

The students worked together to quickly create a den out of wood and teamed up to build their own boat, which they then sailed on water.

Other activities included a 3G Swing, which involved the students working as a team to send several of their group, who were in helmets and harnesses, skywards. They also went caving and had a go at fencing.

Year 12 student Abigail Wardle said: "It was all about facing our fears and working as a team."

CUPCAKE WARS AT GIFTED & TALENTED MASTERCLASS

Students in teams representing different countries took each other on in a competition to design and market their own cupcake brand. More than 40 students from Years 7, 8 and 9 took part in the competition at the first Gifted

and Talented masterclass of the new school year in November.

Teacher Maxine Hopewell, who planned and helped with the masterclass, said: "The students had to create their own pack of cupcakes but each group was a different country and they were constrained the country they had been assigned, as they could only use ingredients native to their country. All other ingredients had to be imported.

"At the end they had to produce a proposal that not only included cupcakes which we could taste, they had to produce packaging and a marketing campaign.

But there were more challenges for the students, as their groups had to react to changing circumstances. There were trade embargos, which meant some teams had to forge alliances with others to get the ingredients they needed, as well as problems like workers going on strike and the fluctuating prices of ingredients.

The winning team were Team Mexico, who produced a cinnamon and vanilla cupcake with green icing topped with a Malteaser. These went on sale in the school restaurant.

LOTS OF SHOEBOXES FILLED TO SEND TO DISADVANTAGED CHILDREN

Around 130 shoeboxes were filled by CBA students and sent off to go to disadvantaged children in time for Christmas.

Each tutor group was asked to fill at least two shoeboxes for our Operation Christmas

The finished shoeboxes, which were each filled with items for a boy or a girl, were all sent off to go to disadvantaged children in Africa, Eastern Europe and Central Asia.

The tutor group in Key Stage 3 which filled the most shoeboxes was Claire Howsam's tutor group 8S, who filled 15 shoeboxes.

Miss Howsam said: "I'm exceptionally proud

of the generosity they have shown towards children less fortunate than themselves this Christmas."

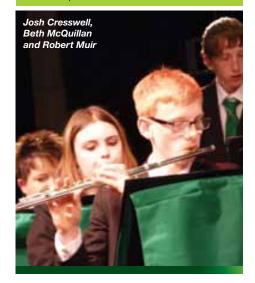

The tutor group in Key Stage 4 which filled the most shoeboxes was Nikki Clark's tutor group in the DSP, who filled 12 shoeboxes. CBA's Operation Christmas Child appeal was organised by the Sixth Form charity committee. Head girl Ellie Mae Moore said: "We were aiming for around 50 shoeboxes so it was brilliant to get up to around 130. Everyone really got into the spirit of the appeal and did a really good job with their shoeboxes."

MUSICAL STUDENTS PERFORM WITH BAND

Student musicians performed a show with the Virtuosi GUS Band in the CBA theatre. CBA Vocalize and the senior concert band performed in the show, which was called 'A Musical Celebration', in November. CBA Vocalize performed 'Read All About It', 'Pack Up' and 'Ain't No Mountain' and the senior concert band performed 'Pastime with Good Company' and 'Encanto'.
Other performers included Callum Connachie and Eloise Robertson, who dueted on the song 'Girl with one eye'. Director of music, Clive Wears, said: "All of our students went home absolutely buzzing and so keen and motivated to further improve."

Students took part in various activities during a CBA Enterprise Day. The special day of activities took place on October 25.

In one activity, students played a Monopoly-style board game using images of hardware, such as iPads and mobile phones, instead of properties. Students also designed their own CBA currency and community chest cards. French students took part in a Harry Potter project and used their enterprise skills to produce posters and 3D models for the Weasley brothers' joke shop.

Others worked with French assistant Mathilde Briaud and improved their

listening skills with a French song. Spanish students enjoyed a food tasting activity and improved their speaking skills by expressing their likes and dislikes in Spanish.

In our DSP, students experienced life in France for a day. They took part in a range of activities which included learning the language, tasting the food, building models of the Eiffel Tower and creating French impressionist-style paintings.

In the gym students cycled the length of the Tour de France, climbed the Eiffel Tower on steps between them and rowed the distance across the channel on the rowing machines.

DANCE & DRAMA STUDENTS SHARE THEIR WORK

Students who have been taking part in Session 4 drama and dance sessions got together to show each other their work. The students have been taking part in after school sessions on Mondays which have been run by representatives from The Core theatre at the Corby Cube.

CBA GETS FESTIVE WITH CHRISTMAS SALE

Students, staff and visitors picked up a range of festive goods from stalls at CBA's Christmas fair.

Stalls were set up in the mall for the fair on December 12th.

The Year 11 prom committee sold cakes, sweets, candy canes and badges on their

stall, the DSP Young Enterprise company
Happy Hands sold personalised mugs,
candles in mugs and Young Enterprise firm
Kraftees took orders for their USB wristbands.
Other festive goods for sale included Christmas
cakes, wreaths with chocolates on them and
toys. The event was a great success.

SILVER AWARD FOR + X SENIOR CONCERT BAND

CBA's senior concert band are celebrating winning a silver award after competing in the local heat of the National Concert Band Festival for the first time.

Around 40 CBA musicians took part in the Midlands heat of the festival at Northampton School for Boys in November.

The CBA senior concert band competed in the school wind band class against bands from Warwick School and Northampton School for Boys. Director of music, Clive Wears, said:

"They were superb ambassadors for the school and they were performing at such a high standard.

"They won the silver award, which was a fantastic achievement, and they met the standard in several categories for the gold award.

"They have done really well. It was the first year we have been part of the festival and it's going to become annual."

NEW MP ANDY SPEAKS TO SIXTH FORMERS

Newly elected Corby and East Northamptonshire MP Andy Sawford visited CBA to speak to Sixth Form students about their views and aspirations and to ask them what they wanted him to do as their new MP. The visit on November 23 was Mr Sawford's first constituency visit since being elected.

He met with the Sixth Formers for a question and answer session. Mr Sawford asked the Sixth Formers whether they wanted to go to university or get a job when they left school and what their career aspirations were.

He asked the students what the issues were that mattered to them and asked their opinions on how he should vote in a forthcoming parliamentary vote.

Mr Sawford said: "It was really interesting to come and meet with young people at Corby Business Academy and hear their views about politics.

"People in Corby and East Northamptonshire are incredibly spirited people, often with strong views, and that goes for the young people too. It was really interesting to hear their views on a range of issues." Year 13 student Paige McIlhatton said: "It was interesting because I haven't ever taken an interest in politics, but it's good to know that our new MP is going to take on the opinions of the younger generation."

After meeting the Sixth Formers Mr Sawford was given a tour of the Academy by Principal John Henrys.

RAFFLE TICKET PROFITS WILL HELP WITH THEATRE TRIP

Year 9 students raised money to go towards a theatre trip by selling raffle tickets at RS Components.

A group of 11 students set up shop in the restaurant at RS over lunchtime on November 23rd and sold £250 worth of raffle tickets.

The money raised will cover half of the cost of an accessible coach to take the students in the DSP to see 'Joseph and the Amazing Technicolor Dreamcoat' at the Derngate in Northampton in February.

STUDENTS LAUNCH+ BUS SHELTER CAMPAIGN

Sixth Form students have taken their campaign for a bus shelter at the public bus stop outside of CBA to the top of Corby Borough Council. Students started out in their campaign by putting their case for the bus shelter across to borough and county councillor John McGhee at a Senate meeting in November. At the meeting the Senate voted to pledge its £1,500 budget for the year towards the bus shelter.

The four Sixth Formers on the Senate -Head Boy David Graham, Head Girl Ellie Mae Moore and Sixth Form representatives Andile Chiwuta and Morium Akter - then held another meeting on their campaign with Cllr McGhee and representatives from Northamptonshire County Council and bus companies Stagecoach and Centrebus.

They then went on to speak to Corby Borough Council's chief executive Norman Stronach in his office at the Corby Cube.

"Mr Stronach was really enthusiastic about it and liked the idea that we had come up with the campaign and we were making it happen."

JESSICA TAKES HOME NETBALL TROPHY

Year 7 student Jessica Icke collected a trophy on behalf of her netball team, which won an award at the Children and Young People's Celebration event at the Best Western Hotel in Corby.

Jessica is a member of the Corby High 5 Netball Team, which is part of Corby Netball Club. The team won the Inspiration Award for children aged five to 12 years.

LOTS OF CASH RAISED FOR CHILDREN IN NEED

CBA raised more than £1,200 for the BBC's Children in Need appeal by holding a mufti day and cake sale.

Students and staff wore their own clothes to school on November 16th in exchange for making a donation to the fund.

Around 300 cakes were also available to buy and sold out within the morning.
Senior Assistant Principal Kirsty Farrar said: "The response we had was fantastic and a huge amount of money was raised."

STUDENTS MEET THE EDUCATION SECRETARY AT FUTURES FAIR

A group of Year 10 students met the Education Secretary, Michael Gove, at a fair based around planning their future careers. The event took place in November at the Holiday Inn in Corby.

During the fair students took part in a number of discussions on topics including

planning their future, how to get an employer's attention and looking at the barriers to employment.

Senior Assistant Principal Andrea Callender said: "This was a rewarding seminar which allowed the students to think about their future career choices."

STAFF AND STUDENTS HELP OUT WITH FUN DAY

CBA students and staff helped out at a fun day held to raise money for the Cystic Fibrosis Trust.

The event was held because of Tilly McEwan, a little girl who has Cystic Fibrosis. Tilly's sister Lauren and brother Harry are both students at CBA.

Students who helped out with the day included Year 11 student Bradley Thompson, who contacted businesses to ask for raffle prizes, made badges to sell and worked on the tombola stall. Students Chloe Harrison, Caitlyn Levins, Daisy Buckingham, Charlotte

McGinlay and Rebeca Constantin also helped out.

The Oakley Rangers, a local youth band featuring several CBA students, played on the day and Year 13 student Andile Chiwuta brought his band along to perform.

Tilly's mum Sally McEwan said: "We are so touched at the generosity and kindness of everyone who gave up their time and money to support our cause.

"The students and staff at CBA were fantastic and had a real impact on the success of the day."

PROM COMMITTEE KEEP UP THEIR FUNDRAISING

The Year 11 prom committee have been busy continuing to raise money.

Student Kia Hardingham added to the fund by holding a fundraising Zumba session for staff and students in November.

Staff who took part included Andy Duncan, who wore pink leg warmers to get into the spirit of the class.

Kia said: "Everyone who took part was really good, we did an hour of Zumba so it was quite tiring. They all tried the moves.

"There were quite a few teachers and some Year 10 and Year 11 students as well." The prom committee have also been selling

Christmas cards to raise money.

CORBY BUSINESS ACADEMY AFTER SCHOOL ACTIVITIES - TERM 3

PARENTS IN PARTNERSHIP **CHOOSE TOP CHRISTMAS TREES**

Our Parents in Partnership will be the judges for CBA's annual Christmas tree competition.

Each faculty decorated a tree to take part in the festive contest.

The challenge was to create a tree with decorations based on a Christmas song related to the faculty. At least half of the

decorations had to be handmade by staff or students.

Comms decorated their tree based on the Christmas song 'Fairytale of New York' by The Pogues and Kirsty MacColl and hung postcards of New York City on it.

The BHE tree was decorated based on the Live Aid song 'Do They Know It's Christmas Time' Decorations included paperchains featuring the Fairtrade logo, to link to business, and students created decorations by drawing around their hands, cutting out the card, decorating it and writing religious messages on it.

The library's tree was made up of an elaborate stack of books in the shape of a tree with festive lights on it. The winner will be selected on the last day of term and announced on the website.

"listening to your views

We hope you have enjoyed reading this edition of In Press. We are always keen to hear your feedback or thoughts on content for future editions. Please email our Press Officer Bernie Goodjohn at bgoodjohn@corbybusinessacademy.org if you would like to get in touch regarding In Press.
