Dear Parents/Carers,

**Re: May Half Term Holiday Intervention Sessions**

In order to fully prepare your son/daughter for the GCSE examinations, the staff have been offering additional intervention sessions after school. The intervention timetable has been advertised to students in assembly each week and subject staff regularly make reference to it in lessons. It is pleasing to see that there is a regular cohort of students attending the intervention sessions, but we feel attendance could be improved by more students attending per week to help improve their preparation for the GCSEs.

In order to prepare for the challenge of sitting a number of different subject exams, students have been advised to start revising as early as possible and spread their revision equally for all subjects.

To help support your child further, we are offering intervention over the half term holiday beginning **Tuesday 28<sup>th</sup> May**.
