

Dear Year 6 Students,

Thank you for reading my letter. I would like to tell you not to be worried about joining Corby Business Academy. Before I started, I was worried about getting lost and making new friends but the older kids and the teachers will always help you.

During my first few days, they were amazing. I wasn't worried about anything. Teachers will challenge you but it will be at your level of work. When teachers give you homework, don't worry about being stuck because the teachers are here to help. Your classmates will also be able to help you. So, if you ever get lost or you are struggling, just talk to someone. Don't be afraid to ask people.

Every day, my teachers still make sure we are all ok with the work. If we don't understand the work, the teachers will come and help you through it. Teachers always say to us "if you can't do it, then just try your best". This will encourage you to push yourselves and you will be saying to yourself "I can do this". Corby Business Academy is a great school to try new opportunities and make new friends. At Corby Business Academy there are clubs such as Music, Art, Drama and PE. The ones that are my favourite are Music, Art, Dance and Drama. So, you can pick loads of different options.

We can't wait to welcome you to Corby Business Academy. So, if you need help then just ask because we will help you. Year 7 is a fun year so make sure you enjoy it and make new friends. The best part of Year 7 for me was learning how to play the flute, joining band and the opportunity to go on trips and perform with the band. I hope this helped you learn all about Corby Business Academy and feel less worried about starting. I can't wait to meet you all.

Your sincerely,

Mia – Year 7 Student
