

Dear Year 6 Students,

Welcome to Corby Business Academy. Due to the current circumstances you are not able to meet your tutors or teachers in person, but I hope by reading this you will get an insight into what life is like at Corby Business Academy virtually. Thank you for taking time out of your day to read this, it is very much appreciated.

I suspect that some of you might feel very nervous or anxious about starting a new school as it is a big change. Fortunately, at Corby Business Academy you have brilliant teachers and mentors that will make you feel more relaxed about joining.

Let's begin with talking about the mentors at Corby Business Academy. When I began at Corby Business Academy, I was quite emotional in the mornings so I went to visit my mentor, Mrs Lapsley. Whenever I felt down and needed someone to talk to, going to visit her made me feel much better and ready to start my day. Mrs Lapsley is just one of the many mentors you can visit when you need someone to talk to.

Now let's move on to talking about the teachers and staff at Corby Business Academy. If you are ever lost on your way to classrooms, don't be afraid to ask the teachers for help as they will kindly direct you to where you need to be. When in class, remember to always put your hand up if you know the answer or want to ask a question. In doing so you don't just learn more, but you know how to do it again next time. This also shows teachers how involved you are in your learning. You won't learn if you don't ask.

Finally, I hope you will enjoy your first day of Year 7. Remember that even if you are feeling worried you are not alone and there are always people around the school that will help you settle in. All of the staff and students here are amazing and I hope you can see that too.
