Each day, work and challenges will be sent directly to each student via their Corby Business Academy email address. When work is completed, students can email this directly to their base teacher so we can track what work has been completed and can provide feedback. If your child is unable to return work electronically e.g. they have been working on paper, please collate this and return it to Corby Business Academy on their return. If your child is unable to login to their email or Sumdog please contact their base teacher.
