Year 6 into 7 Transition Information

Dear Parent / Carer,

Following the allocation of secondary school places for Year 6 students, we are delighted to welcome your child to Corby Business Academy in September 2023. We would also like to take this opportunity to thank you for choosing Corby Business Academy as one of your preferences for your child.

Here at the Academy, we aim to make your child's transition from primary to secondary school as smooth as possible and will endeavour to keep you well informed about the next steps as they develop.

In the summer term, a teacher from Corby Business Academy will arrange to visit each of our feeder schools and introduce themselves to the children joining us in September. During the visit, they will explain to the children what to expect when they start at the Academy and meet with their teachers to ensure important information is shared.

There are some aspects you can start organising in preparation for when your child starts at the Academy. If your child needs to travel to school via bus, you will need to apply for a bus pass. This is done online through North Northamptonshire Council website;

To help decide the bus number and route please view the '2022-2023 Bus Timetable' document found on our website;

Bus Timetable

We also recommend checking with the council for any planned updates.

If you are in receipt of benefits or universal credit, your child may be entitled to pupil premium funding and free school meals. Details and how to apply can be found on the North Northamptonshire Council website;

To support students' transition to Year 7, we also ask that new students complete a questionnaire. Students are able to tell us a bit about themselves and how they feel about joining Corby Business Academy as well as being able to select the names of two people they work well with and we will try to keep them with someone they know in their tutor group. Please complete the student questionnaire via the link below by Friday 16th June 2023;
