## 1. Policy Statement

- 1.1 The Brooke Weston Trust is the admission authority for all its academies. This policy sets out the admission arrangements for all its academies.
- 1.2 The Brooke Weston Trust will consider all applications for places at each of its Academies in line with this policy. Where fewer applications are received than the published admission number, the individual named Academy will offer places to all those who have applied.

## 2. Who does this policy apply to?

- 2.1 All persons applying to one of the Brooke Weston Trust Academies.
- 2.2 Those persons with delegated authority to make decisions on admissions in line with this policy.

## 3. Who is responsible for carrying out this policy?

- 3.1 Brooke Weston Trust is responsible for the operation of this policy.

## 4. What are the principles behind this policy?

- 4.1 The Brooke Weston Trust is committed to ensuring that the intake for each of its academies services the local area.
- 4.2 The admission arrangements determined by the Brooke Weston Trust are in accordance with the statutory framework currently set out in the School Standards and Framework Act 1998 (and regulations made thereunder) and the School Admissions Code (2021).

## 5. Procedures - The Admission of Pupils to Brooke Weston Trust Academies

### General

- 5.1 The Trust will adhere to each Local Authority's (LA) co-ordinated scheme which can be found on the relevant authority's website.
- 5.2 The Brooke Weston Trust will act in accordance with, and will ensure that each of the Independent Appeal Panels is trained to act in accordance with, all relevant provisions of the School Admissions Code and the School Appeals Code published by the Department for Education ("the Codes") as they apply at any given time to academies and with equalities law and the law on admissions as they apply to academies. For this purpose, reference in the Codes or law to "admission authorities" shall be deemed to be references to the governing body of the Brooke Weston Trust.
- 5.3 Notwithstanding the generality of paragraph 1 the Brooke Weston Trust will participate in the co-ordinated admission arrangements operated by the LA (Local Authority) for the specified area and the local in-year fair access protocol.

### Procedure for Admitting Pupils

- 5.4 The Brooke Weston Trust has agreed admission numbers for each of its Academies for each of the years for admissions. The published admission number for each academy are set out in the appendices.
  - 5.4.1 **Nursery (if applicable)**

- Where the Brooke Weston Trust operates nursery provision, they will specify the number of places available in that nursery per session e.g. each morning and each afternoon.
- Places per session will be offered as either full or part time.
- All places will be 'free places' i.e. free for one session (3hrs is one session).
- Children are admitted from the September of the school year when they will become three.
- NB: Attendance at the Nursery does not guarantee admission to the Primary Phase of the particular Academy.

#### 5.4.2 Reception Class

- A separate application must be made for admission to the Reception.
- Reception Class is defined in the Schools Admissions Code as "a class in which education is provided which is suitable for children aged 5 and any children who are under or over 5 whom it is expedient to educate with pupils of that age."
- Admissions to Reception classes at each of the relevant primary Academies are made in the September following the child's fourth birthday. A child must start the term after they are five.
- Applications for a Reception place must be done in accordance with the co-ordinated scheme, but applicants (e.g. parents of Summer born children) in receipt of an offer may defer entry until later in that school year but not beyond the point the child reaches compulsory school age or the beginning of the final school term in the school year in which the request was made.
- Each Academy shall, where applicable, consider applications from children from multiple births as 'excepted pupils' with regards to the infant class size duty.

#### 5.4.3 Years 7-11

Each of the Academies has stated their published admissions number in the following appendices. Their oversubscription criteria directly relate to the named Academy.

#### 5.4.4 Post 16 (if applicable)

- Most of the secondary Academies have capacity to accept pupils in the Sixth Form (see Appendices). Each Academy has a published admission number which represents the external number of candidates that it will admit. In such circumstances, each Academy will apply the same academic entry requirements as it does to pupils already on roll in the Academy.
- In any specific year, the Brooke Weston Trust may determine that in respect of any of its academies it is able to admit pupils above the published admission number for that academy. Where such a determination is made, the Brooke Weston Trust will notify the relevant local authority.

## Process of Application

### 5.5 Normal admission round

Arrangements for applications for places at any of the Brooke Weston Trust Academies will be made in accordance with the local LA's co-ordinated admission arrangements and will be made on the Common Application Form provided and administered by the relevant LA.

5.6 The Brooke Weston Trust will use the relevant LA's timetable for applications to the individual Academies each year (exact dates within the months may vary from year to year). This will fit in with the timetable for the co-ordination of admission arrangements within the LA.

### 5.7 In-year admissions

For admissions outside of the normal admissions round or for year groups which are not the normal points of entry (in-year admissions), parents may apply for a place at any of the Brooke Weston Trust academies.

5.8 The LA is responsible for administering any in-year applications for places at any of the Brooke Weston Trust Academies outside of the normal admission round. Applications must be made on the Common Application Form provided and administered by the relevant LA. Brooke Weston Trust will process applications in accordance with the timescales as set out in the School Admissions Code.

## Consideration of Applications

5.9 The Brooke Weston Trust will consider all applications for places at the named Academy. Where the number of applications does not exceed the published admission number for the individual academy, the Trust will offer places to all those who have applied, either during the normal admissions round or as an in-year application.

5.10 Although most children will be admitted to the Academy within their own age group, Brooke Weston Trust will consider requests from parents for their child(ren) to be educated outside of their normal age group. Parents are advised to contact the Trust to discuss such a request and submit any relevant evidence with their formal application. The decision whether to offer a place out of year group rests with the Trust and decisions will be taken in line with the School Admissions Code. Parents will have a right of appeal if a place is refused at the academy. Parents do not have a right of appeal if a place is offered in a year group other than the year group for which they applied.

## Waiting Lists

5.11 The Brooke Weston Trust will operate waiting lists for each of its academies. The waiting list will be administered by the LA on behalf of each individual academy and it will be open for any parent to ask for his or her child's name to be placed on the waiting list following an unsuccessful application.

5.12 *Not Used.*

5.13 Places which become available are filled from the Academy's In-Year Waiting List in accordance with the oversubscription criteria.

5.14 Parents/carers must reconfirm they wish their child to remain on the waiting list within one week of the start of each new academic term. Failure to do so may result in removal from the waiting list.

## Admissions Appeals

5.15 In the event of a place not being allocated, there is a right of appeal to an Independent Appeal Panel. The Appeal Panel will be independent of the Academy. The arrangements for Appeals will be in line with the School Admissions Code and the School Admission Appeals Code published by the Department for Education (DfE). The determination of the Appeal Panel will be binding on all parties.

5.16 The Academy will prepare guidance for appellants about how the appeals process will work and will provide appellants with a named contact who can answer any enquiries appellants may have about the

process. Before deciding to appeal, visit the LA's website to find out if a satisfactory alternative school may be available and read the information regarding appeals.

**5.17** As per the Schools Appeals Code (paragraph 12, 5.1) appellants do not have the right to a second appeal in respect of the same school for the same academic year unless, in exceptional circumstances.

**5.18 Oversubscription Criteria** (if applicable)

Where the number of applications for admission is greater than the published admission number, applications will be considered against the oversubscription criteria set out in the appendices attached for each of the Trust schools. After the admission of pupils with an EHC Plan where the individual Academy is named as the appropriate provision, the criteria will be applied in the order in which they are set out within those appendices.

### Common terms/definitions

**5.19** The Brooke Weston Trust has adopted a number of key definitions that apply across the oversubscription criteria in its academies. In order to assist understanding of the admission arrangements, the key terms are set out below:

**5.19.1 Looked After Children and all previously Looked After Children**

- A Looked After Child is a child who is (a) in the care of a local authority or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see section 22(1) Children Act 1989) at the time of making an application to a school.
- A previously Looked After Child is a child who was looked after but ceased to be so because the child was adopted (under the Adoption Act 1976 or Adoption and Childrens Act 2002) or become the subject of a child arrangements order (section 8 Children Act 1989) or a special guardianship order (section 14A Children Act 1989).
- A previously Looked After Child is a child who appears to the Admission Authority to have been in state care (i.e. in the care of or accommodated by a public authority, religious organisation or any other provider whose sole/main purpose is to benefit society) outside of England but ceased to be so as a result of being adopted.

Evidence from the relevant social services department may be requested to determine eligibility under this criterion.

**5.19.2 Home address**

Where a child lives or their "home address" will be determined at the time of application. The child's home address is defined as the address at which the child normally resides with their parent/carer.

If a child lives with their separated parents for different parts of the week, the Trust will treat their home address as the place the child sleeps for the majority of the school week. If the child spends equal periods at the two addresses, the parents must agree to nominate one address to be taken as the home address.

Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residence at the property concerned. Places cannot be allocated on the basis of intended future changes of address unless house moves have been confirmed through the exchange of contracts or the signing of a formal lease agreement. The Trust reserves the right to seek further documentary evidence to support your claim to residence. The Trust will withdraw any place allocated if the address is found to be false.

### 5.19.3 **Sibling link**

A sibling link will arise where one of the conditions in each of A and B are satisfied.

#### **Condition A**

- A brother or sister living at the same address, who shares the same parents;
- A half-brother or half-sister living at the same address, where two children share one common parent;
- A step brother or step sister living at the same address, where two children are related by a parent's marriage;
- Adopted or fostered children living in the same household.

#### **Condition B**

For the sibling link to apply, one of the siblings must be a registered pupil at the named Academy at the time of application and is expected to remain on roll at the point of admission.

#### **Additional Sibling Link Information**

Although the definition of "Sibling" does not specify whether the Sibling should be younger or older, it should be noted that for admissions to the primary or secondary phases of education, the sibling link will only be valid where the older sibling is on roll at the academy at the time of application and is expected to be still on roll at the time of admission. For post-16 applicants only, the sibling link can arise where there is an older or younger sibling at the named Academy at the point of application and expected to be on roll at the point of admission.

### 5.19.4 **Children of Staff**

To qualify under this criterion, the staff member must be a 'direct employee' for the Academy in which they are working. This includes any member of staff (teaching or non-teaching) with two years continuous employment with the school or seasonal employment totaling two years. Staff contracted in to provide services to the school do not count as 'direct employees'. For the purposes of this criterion, 'children of staff' is taken to include a son, daughter or step-son/daughter, or child who is adopted or fostered or for whom a special guardianship order is in place, in all cases providing they are living at the same address as the parent who is employed by the school. Parents/carers will be required to submit evidence that they are eligible for this criteria. This will also include evidence to support living arrangements.

### 5.19.5 **Late applications**

Late applications are applications for entry in a relevant age group (reception or year 7) which are submitted before the first day of the first term in the admission year but have not been made in time to enable the local authority to offer a place on National Offer Day.

## **6. Policy Review**

- 6.1 This policy will be monitored as part of the Academy's annual internal review and reviewed on an annual cycle or as required by legislature changes.

### Admitting external students

The Academy will admit students external to Brooke Weston Academy into Year 12. The published admission number for external admissions is 30. In the event that there are more than 30 external applicants eligible for entry, the oversubscription criteria will be applied.

### Oversubscription criteria

Following the admission of children/young people with EHC plans that name the Academy and if external applications meeting the entry requirements exceed the PAN, oversubscription criteria will apply in the following order:

- a) Looked After Children and all previously Looked After Children (**see paragraph 5.19.1 for definition of 'Looked After Children'**).
- b) Children of staff where that member of staff has been employed at the Academy for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage in the area (**see paragraph 5.19.4 for definition of 'children of staff'**).
- c) Children with a sibling link (**see paragraph 5.19.3 for definition of 'sibling'**).
- d) All remaining children ranked from highest to lowest by point score in best 8 GCSEs, or level 2 equivalent.

In the event of a tie, a place will be awarded on a random allocation basis. This will be subject to independent verification.

All external applicants who have made an application deemed as late will be dealt with once all "on time" applications have been processed as per this Admissions Policy. After all "on time" applications have been dealt with, if spaces remain after the publishing of GCSE Grades, places will be offered to late applicants who have met the set academic entry requirements. If there are more late applicants who have met the set academic entry requirements than places available, spare places will be offered in accordance with the oversubscription criteria.

There will be a right of appeal to an Independent Appeals Panel for unsuccessful Post 16 applicants. A waiting list will be held for Year 12 students for the first academic year of admission. This waiting list will be held in line with the oversubscription criteria. The waiting list will be subject to re-ranking when a new applicant is added.

### Notes

Students entering Brooke Weston Academy's Sixth Form will be expected to both read and sign a learning agreement, which outlines the commitment required to be successful in Post 16 study and the support that students can expect to receive from the Academy. In addition, Sixth Form students must recognise that they are part of a large community
