

# Transition Letter

**Commit Believe Achieve**

# Meet the Student

Dear new Year 7,

Welcome to secondary school. It's a lot different here to primary school but don't worry because if you get lost, there will be an adult to guide you to your lesson. It's a big step but you'll get use to it within a week. Anyways, hope you'll have fun at transition day and will be looking forward to September.

See you soon
