

2<sup>nd</sup> January 2021

Dear Parents and Carers,

We would like to keep you informed regarding the latest government announcement on the staggered return to school in January.

The Unit Provision will be open from 5<sup>th</sup> January 2021 as previously communicated. Our priority remains to ensure the safety of our students and staff therefore at this stage we respect your parental decision if you choose to keep your child at home. We will continue our curriculum offer within the building and via remote learning adapting to the circumstances we find ourselves in.

We are conscious you may have concerns regarding the increased rate of transmission and the details surrounding the 'new strain' of the virus; especially the difficulties of young people with special educational needs maintaining social distancing.

If you are concerned regarding your child's attendance due to Northamptonshire moving to Tier 4, you deem your child to be Clinically Extremely Vulnerable (CEV) or you have any additional concerns please contact one of the Unit Leadership Team. If you could contact one of us via the email addresses below to advise if your child will be attending school, week beginning Tuesday 5<sup>th</sup> January we would really appreciate this, as this will assist our planning for next week. If you have not already been in touch, a member of staff from the Unit will contact you on Monday 4<sup>th</sup> January.

As plans are confirmed we will communicate Covid testing arrangements and share consent forms with you and your child. We will continue to revisit risk assessments and will notify you of any changes.

Thank you in advance for your support.

Yours sincerely

Mr S. Underwood  
Associate Principal
