

Governor at Corby Business Academy

Start date: 1 April 2022

Have you considered being a Governor at a Brooke Weston Trust school?

The role of a governor can be very rewarding – it allows great opportunities to:

- contribute and develop your personal and professional skills;
- to work as part of a team and network with other likeminded people; and
- to achieve the wider satisfaction that comes with the ability to shape and improve the future of young people.

If you are passionate about helping your local community and want to make a real and positive impact on education we would like to hear from you.

Corby Business Academy is currently looking to recruit one new governor to its team. We are looking for someone who has recent or previous experience of working with and supporting the development of young people within an educational or social care environment. If you would like to hear more about the role please contact the Chair of Governors, Niel Aveyard (NAveyard@brookewestontrust.org). Further information about the Academy can be found on our [website](#).

We welcome and encourage applications from people with diverse backgrounds and experiences and from those who have not been a governor before. Training and support will be provided.

Closing date: 25th March 2022

We are a multi-academy trust in the East Midlands and our mission is to transform educational performance across our communities.
