### **Re: Unit Transition Year 6 - 7**

Dear Parents and Carers,

As most of you will be aware face to face transition on 9<sup>th</sup> July 2021 has been cancelled. All Brooke Weston Trust secondary schools receive children from a large number of primary schools, which means it is not possible to keep children in their Year 6 primary bubbles.

Please see below an update on our website from our CEO, Dr Campbell.

However, we have been fortunate within the unit due to smaller numbers of students transitioning to the provision, to offer some alternative transition sessions. We have been able to give you and your child an after-school tour, observe your child in their primary school setting, attend virtual annual review meetings and meet most of the students face to face at our transition picnics.

We will continue to work with you over the next couple of weeks to ensure a smooth transition and to reduce any anxieties for your child during their transition to secondary school.

If you have any further queries or questions or feel that you and your child would like an additional visit please contact myself or one of the KS3 Unit Team.

You can keep up to date with transition on our website. There will be some additional information shared over the next few days. We will also be writing to you to inform you of who your child's base teacher will be in September.

We look forward to working with you and your child in September.
