

Subject: Art and Design (Photography)

Topic: Personal Sketchbook Project- Independent Learning Task:

First of all, welcome to A level Photography!! We are looking forward to welcoming you in September.

Over the summer we would love to get a flavour of what you are like as a designer and get your creative juices flowing.

Please make a 10 page sketchbook/digital portfolio. It can range from A5 to A3 and should be bound/contained in some way. It should have a cover, which can be decorated. The book must be handmade and not bought and then adapted!!

You should complete work for each page based upon the following starting points:

1. Take a photo, or set of photos that explains your reasons for choosing this subject
2. Make a still life of objects that reflect you as a person
3. Without copying their work, create an image that shows who your favourite artist/designer/photographer is
4. Describe a piece of work you have seen in a gallery
5. Play with scale in a photograph to alter or distort the perspective
6. Find and write about a photograph that has sparked change
7. Edit a photo that already exists
8. Take 20 photos that reflect your summer and present in an interesting way
9. Take 5 photos using 5 different viewpoints
10. Describe what you have learnt from this process

The purpose of this process is to enable us to understand your creative approach to a problem. It is therefore essential that you give each of the tasks a great deal of thought. There is certainly no right or wrong way to approach this and you should give consideration to what we mean by 'Create', 'describe', 'make' 'use.

This work will need to be presented in your first lesson in the subject when you start in September,

PS You need to incorporate this sheet into your sketchbook in a creative way! We look forward to seeing your sketchbooks in September.

How it links to the Specification:

Each of the tasks is designed to allow students to present work from each of our Assessment Objectives-Develop, Explore, Record and Present

Deadline: First lesson in September
