

Dear Parents, Carers and prospective Students,

Thank you for considering Corby Business Academy as your choice of Sixth Form, we appreciate that this is an important decision and want to support you in these times.

As you will see, our Sixth Form provision provides a wealth of opportunities. We are proud of the high quality destinations that our students accomplish, and the extremely high percentage of students that achieve their first choice destination.

The Academy's provision enables students to access high academic attainment, as well as establish holistic development for the next stage of their careers or education. Our community ethos and excellent staff-student relationships provides a wealth of opportunities for all students.

Unfortunately, Covid-19 restrictions will prevent us from carrying out physical tours of the building this year, so we have compiled two main strands of guidance:

- An [online prospectus](#)
- A [virtual tour](#) that allows you to hear from staff and students, as well as see the Academy building

Firstly, please see below a link to our 2021-22 academy prospectus, we trust you will find it informative and it gives you a strong indication of our provision:
