## **Laboratory rules for students**

All students must follow the lab rules at all times in the Science department.

Failure to do so puts yourself and others at risk and will result in an immediate sanction.

1. Follow all instructions given to you by your teacher.
2. Only enter the lab when told to do so by a teacher.
3. Never run or throw things in the lab.
4. Do not eat or drink anything in the lab.
5. Keep your bench and floor area clear, with bags and coats well out of the way.
6. Only touch or use equipment and materials when told to do so by a teacher.
7. Wear eye protection when told to do so.
8. When using naked flames, make sure that ties, hair, baggy clothing are tied back or tucked away.
9. Always stand up when completing practical work.
10. Always wash your hands carefully after handling chemicals, microbes or animal and plant material.
11. If you are burnt or a chemical splashes on your skin, wash the affected part immediately with lots of water. Tell your teacher.
12. You must report any accident, spillage or breakage to your teacher and clean up as instructed to.
