Flu Vaccination

Dear Parents / Carers,

Your child's annual flu vaccination is now available either at their school session or in a clinic setting.

Your school session is due to take place on Thursday 2nd November and the link will close at 9.00 a.m. on Monday 30th October.

For in-school option - Please submit your child's e-consent before the deadline. To confirm you have successfully submitted your e-consent an acknowledgment page will be displayed. You will only receive email confirmation with a unique reference code if you have added your email address prior to submitting the form.

Flu Vaccination Consent Form

For Clinic setting option – There is no need to complete the e-consent. Please call the Northamptonshire School Immunisation Service on 0800 170 70 55 and select Option 5 to book your child's appointment in one of their countywide clinics.

If you **do not** wish your child to receive a flu vaccination, please disregard this email as we will not offer this vaccination to any child or young person without parental/guardian consent.

IMPORTANT - Should you miss the deadline to submit your e-consent, a clinic will be the only option available, no verbal consents will be taken over the phonenumber either to the Academy or the Immunisation team.

If you have any further queries regarding the flu vaccination, please contact the School Immunisation team directly on the number listed above.

Your sincerely

Mr S. Underwood
