### **Careers Guest Speaker Session 6 Activities for Year 11s, 12s and 13s**

Dear Parent/Carer,

I am writing to inform you that as part of our ongoing commitment to improving and growing our careers provision at Corby Business Academy, we have decided to organise for guest speakers from a variety of sectors to come into the Academy twice a term to deliver a presentation or workshop to students. These sessions will provide students with an opportunity to gain an insight into the different educational, subject and career pathway routes open to them.

These sessions will predominately be open to students in Years 11, 12 and 13 but may be extended to other year groups at times. These sessions will be optional to students with limited capacity. Students will be able to sign-up to these via our usual Session 6 booking system on Edulink.

We are delighted to announce that our first session will be held next Wednesday, 15<sup>th</sup> November 2023 from 3.00 – 4.00 p.m. This will be a Criminology Subject Insight Session delivered by senior lecturers at University of Northampton in which the team will talk to students about studying Criminology after A-Levels and potential future employment routes. There will be a mini lecture followed by an interactive scenario-based discussion in smaller groups.

This session is now available for students to sign-up to on the EduLink Session 6 booking system. Students will be reminded about the session during Tutor Time. Please note that there is a limit of 30 spaces available for this session but we will look to run a second session on an alternative date if interest is high.

I look forward to sharing more information with you regarding further upcoming Careers Session 6 Guest Speaker events.

Should you have any questions or concerns please do not hesitate to contact me via emailing [fern.gibson@corbybusinessacademy.org](mailto:fern.gibson@corbybusinessacademy.org) or call 01536 303120.

Yours sincerely,
