Dear Parents and Carers,

As a part of our career's curriculum, we would like to support students and their families developing knowledge and understandings of post 16 and post 18 destinations and processes. As students progress into adulthood it is important that they and their families have up to date information that is required to be able to make informed decisions about their future. We would like to invite you to our Academy, to receive presentations led by:

All presentations will be delivered in two sittings; the first will be delivered to students only and the second will be to parents only. We would like parents to arrive at 11.40 a.m. The presentations will take place from 11.45 a.m. – 12.15 p.m. Presentations will be led by college representatives and the content and course information will be suitable for students with additional needs.
