Year 9 into 10 Options Evening – Thursday 7th March 2024

Dear Parents and Carers,

I hope that you have a productive meeting with the subject teachers at the forthcoming Year 9 Parents' Evening on the 15th February. We are about to embark on the option process for the current Year 9, which will involve the students picking the options which they wish to study when they move into Year 10.

The Options Evening will be an in-person event on Thursday 7th March 2024. There will be the opportunity to:

- Listen to a presentation that outlines the options process, provides guidance and also includes key dates
- Speak to the subject teachers about the courses that we offer

In order to ensure that we have sufficient capacity on the evening, there will be two presentations in the main theatre, one at 5.00 p.m. and one at 6.00 p.m. Numbers are capped for each sitting and you can reserve your time slot by completing the attached form;

I appreciate that there will be a lot of information to take in and I recommend that you dedicate some quality time to reviewing the Options Information booklet. This will be available to view on our website shortly. You may well have a number of questions. Your child's form tutor, Head of Year, subject teachers and myself will be happy to help you and provide further guidance if required. We look forward to helping guide our students through this important decision-making process.

Yours sincerely
