Year 10 PPE's

Dear Parents/Carers,

As you are aware your child will be sitting their Year 10 PPE's week commencing Tuesday 16th April. An examination timetable is available on Edulink for your child to see.

This week in form time they have received guidance on the code of conduct and equipment expectations for PPE's, how to revision plan, how to revise using flash cards and how to revise using mind maps. Pupils have also been tasked with ensuring they know exactly what topics they need to revise by the end of the week. Pupil's will also arrive home with a booklet on coping in times of examinations.

We are often asked by Parents and Carers how they should support their child in this preparation time. Here is our advice:

- Ask to see their revision plan
- Ensure they have somewhere to work that is quiet
- Set expectations of three to four hours of revision a day
- Take their phone away when they are revising so they don't get distracted
- Ask to see what they have done after each hour/day
- Test your child by using their revision card questions or past questions
- Show an interest in their progress
- Help your child download past papers from the internet
- Give them rewards to keep them motivated

We are very proud with how prepared and focused students are taking these examinations already. If you have any further questions or need further support, please do not hesitate in contacting me on the following email;

heidi.bird@corbybusinessacademy.org.

Kind regards,

Miss H. Bird
Assistant Principal
