Dear Parents and Carers,

Important Update: Sparx Maths Homework Schedule

We are writing to inform you of a change to the schedule for Sparx Maths homework. From this week, (WC 13/01/2025) homework will now be issued on Thursdays at 9.00 a.m. and will be due for completion by Tuesdays 9.00 a.m.

This adjustment shortens the homework window from seven days to five days. Our aim is to help students maintain focus and ensure homework is completed promptly, reducing the chance of tasks being forgotten.

We believe this change will encourage better time management and improve completion rates, further supporting your child's progress in mathematics.

To assist your child:

- Encourage them to start their homework early and aim to complete it by Sunday evening, allowing time to address any challenges on Monday with their teachers.
- Remind them to seek help from their teacher if needed, well before the Tuesday deadline.

Thank you for your continued support in helping your child succeed in mathematics.

If you have any questions or concerns, please do not hesitate to contact me at mark.brooks@corbybusinessacademy.org or on 01536 303120.

Yours sincerely,

Mr M. Brooks
Head of Mathematics
